

#### **Article 47**

On petition of Jay Diener and 25 registered voters in Hampton, shall the Town of Hampton vote to raise and appropriate up to the sum of \$90,000 for the purpose of rebuilding the collapsed Ice Pond dam, including stop-log gates that can be removed and replaced to allow the Pond to be used for storm water storage in the event of major rain storms? The Hampton Conservation Commission has committed \$40,000 toward the final cost estimate of \$130,000 for rebuilding the dam, and has paid for the engineering study and design of the replacement dam, both of which have been completed. We will be looking for donations from individuals and outside organizations to help reduce the \$90,000 needed from the Town to complete this project.? (Majority vote required.)
